INVITATION

November 2011

INVITATION TO ICEE 2012, TURKU FINLAND

Dear Colleagues,

It is a pleasure to invite you and the whole INEER community to the International Conference on Engineering Education 2012.

The main theme of the conference is *Contributing to Success through Innovations in Engineering Education*. The event will be devoted to studying various aspects on how to develop engineering education in the direction of enabling the students to challenge their global future.

Come and enjoy the Scandinavian atmosphere in Turku, which is one of the most popular conference cities in Finland with many attractions and events for visitors. Turku is the European Capital of Culture 2011.

Please refer to the conference website (<http://www.icee2012.fi>) for more information about the event, major topics, special sessions as well as Finland, Turku and the host universities. You can also find the Call for Paper announcement posted on the website.

On behalf of the ICEE 2012 organizing committee, organizing universities, and INEER I look forward to meeting you in Turku and ICEE 2012.

Yours sincerely

Dr. Olli Mertanen

Vice Rector, Turku University of Applied Sciences
General Chair, ICEE 2012
